Meeting designation

All our meetings are non restrictive (open to anyone who wants to attend, regardless of background or demographics).

Seating at the Spiritual meeting

We will prioritize individuals with accessibility needs. Please refer to any relevant notices when selecting your seats. To ensure fairness, we encourage attendees not to reserve seats (e.g., with coats or bags) before the meeting starts. If you have specific seating preferences for individual or groups, arriving early is recommended. Our spacious venue is designed to accommodate everyone comfortably.

When leaving the venue

We ask you to be mindful that we share the hotel with other guests.
